# THE STEEL NOTICE BOARD

## Post-Flood Relief & Rehabilitation Campaign (part 3)

MSI would like to commend the iron and steel industry players, namely YKGI Holdings Bhd, CSC Steel Sdn Bhd, NS Bluescope Malaysia Sdn Bhd, FIW Steel Sdn Bhd and Asia Roofing Industries Sdn Bhd, who have taken the initiative to support the victims of the floods that happened at the end of December 2014 by donating coloured roofing sheets valued at RM250,000.

Under the "Program Tanggungjawab Sosial Korporat (CSR) Pasca Banjir CIDB Malaysia Bersama Penggiat Industri" which is under the purview of Lembaga Pembangunan Industri Pembinaan Malaysia (CIDB), CIDB Build Brigades has picked up 700 pieces of roofing sheets on 27 May 2015. This roofing sheets will support the government's commitment to build/ repair houses affected by the floods.

MSI would like to see more of CSR initiatives like this, giving back to the nation to help the needy.
