MSI AS AN INDUSTRY LEAD BODY FOR THE IRON & STEEL SECTOR

MSI has been approved the budget by the Department of Skills Development, Ministry of Human Resource to develop National Occupational Skills Standard (NOSS) for the "forming" sub-sector and to also conduct two sessions on Recognition Prior Learning Scheme (*Pengiktirafan Pencapaian Terdahulu – PPT*), one in Klang Valley and another in Penang. MSI will also assist those who have years of experience in a certain field of iron and steel making to convert their years of experience into recognized skill certificates. More details coming up in the next MSI newsletter.
