DATUK RAVINDRAN'S FAREWELL

It was indeed a great honour to be serving the country alongside charismatic people. Mr Jarrod Lim represented MSI during a simple occasion to celebrate more than 30 years of service and to bid farewell to Datuk P Ravindran held at MITI Tower on 2 December 2016.

VISIT TO MBAM

Iron and steel is one of the core part of the construction industry. An MSI delegation to Master Builders Association of Malaysia on 6 December 2016 was greeted by Mr Liew Hau Seng, Vice President and President of Building Materials Committee. The meeting discussed on the current condition of iron and steel industry, especially for the construction material.

MSI HR DAY

MSI embarked on a new journey with the inaugural MSI HR Day – Developing Human Capital for Iron & Steel Industry in Malaysia held on 9 December 2016. The programme was officiated by YB Datuk Hj Ahmad Hj Maslan, MITI Deputy Minister (Industry). The event aimed at initiating the Human Resource (HR) Development Plan at MSI and establishing its approach to serve the iron and steel industry for human capital development via training. It also served as the platform to explore the HR needs of the industry and feedback through a survey on Training Need Analysis (TNA).

MNCs & SMEs SUPPLY CHAIN CONFERENCE

MSI took part in the MNCs & SMEs Supply Chain Conference on 15 December 2016 at MITI Tower, which was officiated by Dato' Sri Mustapa Mohamed, Minister of International Trade & Industry. This inaugural conference that brought together more than 400 participants, is a collaborative effort by MITI and its nine agencies with MIDA as the lead organiser of the event. It featured three plenary sessions focusing on the Electrical & Electronics, Aerospace, and Food & Beverages industries. Business meetings with 25 MNCs were also arranged. The meetings provided immense opportunities for deeper commercial collaboration between large and small companies across the board.
